

Radisson Community Updates

Our office continues to receive calls about vehicles being parked in the streets. This creates a number of hazardous situations, especially on cul de sac circles: emergency vehicles cannot pass, snow plows cannot clear the snow, and neighbors risk damaging vehicles when entering and exiting their own driveways.

Please be safe and courteous and do not park on the road whenever possible. If

you do need to do so temporarily, please do so on one side of the street and be mindful of your neighbor's access to their driveway. Overnight parking is prohibited in the Town of Lysander November – April.

We have also been contacted by residents who are concerned about those using the pathways without a facemask. Our pathways vary in widths, and with snowbanks along either side, pedestri-

ans are not always able to step off the pathway. Please have a facemask handy to utilize when passing others, to allow for social distancing. We hope everyone has the chance to get outdoors for fresh air, exercise and beautiful scenery, as well!

Pet owners are encouraged to pick up pet waste and dispose in one of the pathway trash cans.

Seasonal Reminders

Holiday Decoration Reminder

Holiday decorations must be removed 30 days after the holiday. If that is not possible due to weather conditions, lights can remain in place until April 1, provided that they are not in use.

Fire Hydrant Notice

There are approximately 300+ fire hydrants located within the Radisson Community. Keeping them cleared of snow

decreases the amount of time that it takes for the hydrants to be accessed in an emergency. If there is a fire hydrant located on your property, for the safety of your family and neighbors, please keep it free of snow. Clear about 3 feet around the hydrant and from hydrant to the street to give firefighters enough room to work.

Trash & Recycling Tote Storage

As per the Architectural Standards Guidelines, trash and recycling totes may not be stored outside. Totes may be placed outside the evening before your scheduled pick-up day and must be moved indoors the same day that your trash is picked up.

Please remember to position totes with at least enough space between them (3-4') for the automated lift arm of the truck to maneuver properly.

Local Activities & Announcements

2021 B'ville Big Chill

The year you can take the plunge **WITHOUT** jumping into the river!

The 2021 B'ville Big Chill is presented by the Baldwinsville Rotary Club and the Greater Baldwinsville Chamber of Commerce (GBCC).

Rotary supports children and families in Baldwinsville with Food through their school backpack program, and scholarships, educational, and other social and community services. The GBCC provides resources and support to local business, maintains the Baldwinsville Visitor Cen-

ter, offers a scholarship to high school students, and supports initiative to make Baldwinsville the best place to work, live, and play.

Our plungers won't worry about braving the cold water this year in the Seneca River - they will compete by fundraising and creating a fun 'plunge' video/photo to be shared across social media on Saturday, January 30!

The B'ville Big Chill is a fun annual fundraiser for the B'ville Chamber of Commerce, Rotary Club of Baldwinsville and charity recipients.
