

## Radisson Community Updates

The Architectural Standards Department recently performed a 'community sweep', to evaluate the condition of overhead garage doors. This type of inspection, with focus on a particular item, is done periodically throughout the community to help ensure Radisson properties are maintained in accordance with the Radisson Declaration of Protective Covenants and Restrictions.

Although weather conditions may not allow for immediate resolution to a violation, the homeowner need only submit an ASC application to show the plan for bringing the issue into compliance. Once the application is approved, ample time is given to complete the work.

Find details on the RCA/ASC Violation Abatement/Fine Policy on our website, on the Architectural Standards page.

It's prime time to book the Aspen House or Kerri Park Pavilion for your spring or summer party! Reservations are well under way for graduations, showers and birthday celebrations. Preview availability on the website calendar, but please call to confirm. Only enrolled members in good standing are eligible to rent RCA facilities – take advantage of this benefit of living in the Radisson Community!

## Radisson Events

### Radisson Community Trivia

Sunday, February 9, 3-6 pm. Show off your Smarts at a special trivia event at Potters Pub. Resident promotional tickets are for sale in the RCA Office. Event is open to public, tickets not required.

## Seasonal Reminders

### Mailbox Repairs

Mailbox repair and replacement service is provided by RCA Maintenance year-round. During winter months, it's not uncommon for plows to cause damage to mailboxes and/or posts. Contact the RCA Office to request a repair. If you know who caused the damage, whether private operator or Town, you should also contact them to request reimbursement for charges.

### Holiday Decoration Reminder

Holiday decorations must be removed 30 days after the holiday. If that is not possible due to weather conditions, lights can remain in place until April 1, provided that they are not in use.

### Trash & Recycling Tote Storage

As per the Architectural Standards Guidelines, trash and recycling totes

may not be stored outside. Totes may be placed outside the evening before your scheduled pick-up day and must be moved indoors the same day that your trash is picked up.

Please remember to position totes with at least enough space between them (3-4') for the automated lift arm of the truck to maneuver properly.
