

## Radisson Community Updates

Communication with residents is an important function of the Radisson Community Association.

Help ensure that you stay informed by keeping a current email address in your web account.

Not only is email useful for time-sensitive updates, it is contact-free, paper-less, and ultimately, the most efficient means of communication currently available to us.

Check your email (including junk folder) for ASC Application updates, usage updates for Garden, Kayak, Storage Yard, Association News, *Reflections* and more.

We intend to inform, not to overwhelm your inbox, so if we are sending you something, it's probably worth taking a look!

If you have reported a street light issue to the Town and are still waiting for it to be repaired, your patience is appreciat-

ed as they are currently experiencing an equipment backorder.

Dependable Disposal is reminding homeowners that NO yard waste is allowed to be disposed of in the trash or recycling totes. If you have yard waste, please keep it near your house and/or in your garage until RCA curbside service begins in April.

RCA Board of Director applications are available online and must be submitted by 5pm on Friday, April 8.
