## Halloween 2020

Trick-or-treating, for those who choose to participate, will be on Saturday, October 31, from 6pm – 8 pm. Please leave your porch light on, if you will be distributing candy. We ask that everyone review the guidelines below provided from CDC, to keep trick-or-treating during COVID-19, safer for the community.

### **Trick-or-Treating Safety Tips**

Avoid direct contact with trick-or-treaters. • Give out treats outdoors, if possible. • Set up a station with individually bagged treats for kids to take. • Wash hands before handling treats. • Wear a mask.

### **Wear A Mask**

Make your cloth mask part of your costume. • A costume mask is NOT a substitute for a cloth mask. • Do NOT wear a costume mask over a cloth mask. It can make breathing more difficult. • Masks should NOT be worn by children under the age of 2 or anyone who has trouble breathing.

### **Wash Your Hands**

Bring hand sanitizer with you and use it after touching objects or other people. • Use hand sanitizer with at least 60% alcohol. • Parents: supervise young children using hand sanitizer. • Wash hands with soap and water for at least 20 seconds

when you get home and before you eat any treats.

### **Keep Your Distance**

Stay at least 6 feet away from others who do not live with you • Indoors and outdoors, you are more likely to get or spread COVID-19 when you are in close contact with others for a long time.

As always, if you or your child has a fever or any other COVID-19 symptoms, please remain home and find another way to celebrate the holiday with them. We will continue to monitor Federal, State and County guidelines for any additional restrictions and will share updates with the community as needed.

All Radisson Community residents should follow the guidelines as outlined here. We do not have separate rules or trick-or-treat times. We hope everyone has a creatively safe and Happy Halloween.
